### Recess Volunteers Needed

Please contact Donna or Lisa in the school office if you are able to volunteer or volunteer additional days for recess or lunchroom duty. We are hoping to have **four monitors outside and four monitors inside**. (2 additional people each day.) Recess duty is from 11:10 – 12:05 and lunchroom duty is 10:55 – 11:50. The additional volunteers are to decrease the adult to student ratio, as well as to increase safety and assist with supervision in the event an adult is unable to make their scheduled assignment due to an illness or an unforeseen conflict. The more the merrier!! Thank you! (Virtus, background check and Code of Conduct form must be on file)

### Yellow Intent to Register Forms – Please return ASAP

We are missing Intent to Return Forms from 25 families. Please return these forms on Tuesday. If you cannot locate the original yellow form, please send a note with the names of you children and the grades they will be in NEXT school year. If your child will not be returning, please return the form indicating that information so we can begin to contact people on our waiting list to register for next year. Thank you.

### Parking Lot Procedures

Please be sure to follow the basic rules of the road when driving and parking in the parish and school parking lot. Please drive slowly and watch for unexpected people crossing the roads, especially during dismissal time. The driveway leading into the parent pick-up line is only two lanes wide, please do not drive up the left side of the road to avoid the pick-up line, even if you are coming to pick-up a preschool student. Also note that the horseshoe in front of the parish is a posted fire lane and emergency vehicles must be able to drive through that lane. Thank you.

**Reminder About After School Changes (Second Notice)**

Please notify the school office about any after school changes for your child by sending a **written note with your child or contacting the office by 11:00 a.m.** The office gets very busy and it is not always possible for Donna or Lisa to leave the office to deliver messages to teachers when changes come in the afternoon. Teachers check their mailboxes and pick up messages during their lunchtime, so it helps enormously to communicate any changes at that time. We want to be sure your child gets to where they are supposed to be safely. Thank you for your help.

**Save the Date: Middle School Play “How to Eat Like a Child” March 9 – 1:00pm and 7:00 pm**
