philosophy

“Christ is the foundation of the whole education enterprise in a Catholic School”

All Saints Catholic School is dedicated to:

- ... fulfilling the expectations for academic excellence in a Catholic community
- ... respecting and nurturing the uniqueness of each child in an environment fostering Christian values
- ... daily sharing of the Word of God and weekly participation in Mass, during which leadership opportunities are provided
- ... encouraging each child to be a productive and contributing member of society by promoting self-discipline, responsible behavior and service to the community
